EDUCATION

University of Iowa | Iowa City, IA — Anticipated May 2026

B.B.A., Business Analytics and Information Systems

- Minor: Sports and Recreation Management
- GPA: 3.22/4.0

TECHNICAL SKILLS

- **Tools:** Excel, Python, Access, Tableau, Power BI
- **Techniques:** Regression Analysis, Forecasting, Visualizations, Time-Series Analysis, Data Modeling
- **Projects:** KEY SKILLS DEFINING SPORT DIFFICULTY – Performed multivariable regression analysis in Excel to find the key factors affecting the "difficulty score" of sports, with a 95% confidence level. Used visuals like scatter plots, density plots, and bar charts to highlight results and addressed multicollinearity by testing different variable combinations

WORK EXPERIENCE

Maintenance Operations Intern | *Naperville Country Club - maintenance* | Naperville, IL — May 2025 – August 2025

- Supported daily operations by reviewing maintenance priorities, staffing plans, and communicating updates to supervisors during morning briefings, contributing insights to improve overall workflow efficiency
- Collaborated with grounds staff to implement preventive maintenance tasks, reducing unexpected equipment downtime and improving overall equipment reliability
- Monitored inventory levels of parts, tools, and supplies, reporting shortages and helping streamline the restocking process

Sales Intern | *Jonathan Wesley Inc* | Oakbrook, IL — May 2024 – August 2024

- Analyzed energy services, identifying optimal cost-saving energy plans, helping customers lower their electric bill
- Aided 4 new sales team members on best practices for energy supplier sales, helping team performance and success
- Monitored sales performance, achieving 115+ sales and earning 2 promotions

LEADERSHIP AND ACTIVITIES

Phi Gamma Delta Social Fraternity | *Member* | Iowa City, IA — January 2023 – Present

- Led as Merchandise Chair, overseeing a five-figure budget, cultivating collaboration among fraternity members to design and produce custom merchandise, including apparel, accessories, and promotional items, to enhance brand identity
- Managed as Recruitment Chair, advancing successful recruitment campaigns and strategies that resulted in a significant increase in new member enrollment, contributing to the growth and vitality of the fraternity

VOLUNTEER EXPERIENCE

Participant | *Rivalry Run* | Iowa City, IA — November 2022 – Present

- Ran miles with members of Phi Gamma Delta to raise money for the USO
- Personally raised $300 out of our chapter total of $12,281, altogether running a total of 175 miles
